Company Description

Gameloft Brisbane, part of the global Gameloft family, opened in 2014 and since then has released Zombie Anarchy, Ballistic Baseball, My Little Pony: Mane Merge, and multi-award-winning The Oregon Trail™. In 2022, Gameloft Brisbane was announced as the winner of the coveted 'Studio of the Year' at the Australian Game Developer Awards (AGDAs).

We believe the keys to success are a great studio culture and finding a balance in everything we do, whether it's working with great people on exciting projects or enjoying the incredible lifestyle of Queensland Australia.

Responsibilities

- Work on developing and maintaining game mechanics, systems, and tools in Unreal Engine using C++ programming language and Blueprints
